INTERNAL REPRESENTATIVE

FULL TIME JOB, SAGUENAY

Do you want to be at the heart of the action and have a passion for customer service? We need you to join our team and expand our operations! This opportunity is for you.

Your main challenges :

- Conduct technical analysis of customer needs to propose products and solutions tailored to their production equipment.
- Coordinate different services to maintain strong business relationships based on trust with our clients.
- Ensure communication between clients and the company.
- Work closely with the head office, technical department, and production service.

Desired qualities :

- Strong interest in the industrial and mechanical sector.
- Excellent interpersonal skills.
- Autonomy, good organizational skills, and time management.
- Proficient in basic computer tools (Excel, Outlook).
- Fluent in French communication, both oral and written.

Conditions and benefits :

- Training offered internally.
- Group insurance and pension funds.
- Recognition program.
